NUMBER 3

Editorial

IT is not the purpose of the Alumnus to take up controversial subjects. It is however considered correct to inform the alumni of activities calculated to hamper the University in its undertakings, and to suggest helpful action they might take.

A determined attack is being carried on against the military courses in the colleges including the University of Dayton. Numerous influential individuals and well-financed societies are prepared for a powerful lobby against the R. O. T. C. in this winter's session of Congress.

The attitude of the University is expressed in the following letter by Very Rev. B. P. O'Reilly, S. M., in the Dayton Daily News of February 4, 1931:

"With reference to the very considerable agitation against military training in the schools and colleges, I offer the following:

"I have, during twelve years, observed the work and the results of the military department of the University of Dayton, a department that operates under me as do other departments. I am thus able to speak from first-hand knowledge.

"It is my view and that of the University that the military work serves a double purpose, valuable to the individual and to the nation. To the individual student it gives training in self-control, development of personality, working in a team or organization; also a degree of experience in leadership that no other department of the college affords; also an appreciation of the obligation of the good citizen to render public service. To the nation it provides junior officers for an army that we must have in the unfortunate event of war, leaders such as are due the splendid youth of our country.

"Certain bills have been introduced in Con-

gress that would deprive the University of Dayton and other colleges of the unhampered right to prescribe courses they consider proper. Specifically they would withhold the services of United States Army officers and government equipment from institutions making military training compulsory for any part of the student body. This is wrong in principle and in immediate intent. It is for the authorities of the institution and not for the student to determine whether he shall or shall not take the military course, as whether he shall take calculus or English composition.

"A vast amount of propaganda is being put out against this valuable feature of our system of education and of national defense. Talk of 'militarizing the youth

of the land' is without substance, vicious, a misleading half-truth which is an untruth. No person dreads war and its horrors and terrible after effects as does the man who knows it. I regret to see many worthy but unthinking people giving their support to agitators, some of whom must be considered unscrupulous.

Bernard P. O'Reilly, M.

"President University of Dayton."

It is believed that your local senators and representatives are whole hearted supporters of the national defense. Nonetheless they may well be reminded of the Americanism for which your Alma Mater, the University of Dayton, stands and given assurance that support of the ROTC is expected by the loyal and patriotic sons of the U. of D.

Campus News Digest

SCHOOL THANKED Walter S. Gifford and Owen D. Young, who are in charge of President Hoover's unemployment relief fund being raised throughout the United States, wired the University of Dayton News congratulating the University upon the success of the charity game played against the Notre Dame "B" team. The wire read as follows:

"Congratulations to the faculty, the team, the student body and the members of the Chamber of Commerce Committee upon the success of the University of Dayton-Notre Dame "B" team game. The University of Dayton and the Dayton Chamber of Commerce have done a fine job. Responses such as this are most gratifying to the President's Unemployment Relief Committee. Thank you sincerely."

DEBATERS TO GO EAST Francis Pfister, manager of debate, has just announced that negotiations for the eastern trip have been completed, and that the tour will be made the week of February 14 by the two successful men on the negative side of the question.

The debaters will leave Dayton on Sunday February 14 and will journey to Buffalo, New York, where they will meet the University of Buffalo team on the evening of February 15. A free day will intervene before the debate with Rutgers at New Brunswick, New Jersey, on February 16, and on the following day they will be matched with the Temple University team at Philadelphia.

This will be followed by a short jump to Bethlehem, Pennsylvania, where on February 19 a debate will be staged with Lehigh, after which the negative team will bring their tour to a close by debating Washington and Jefferson at Washington, Pennsylvania, on Saturday February 20.

Mr. Pfister is now attempting to complete the schedule for the affirmative's western trip, and the results should be forthcoming in the very near future.

BRAHMANS INCREASE Richard Frankenstein, Jack Connelly and Francis Pfister will be formally admitted to the honorary order of Brahmans on Friday January 8, 1932, during the course of an initiation dinner. These three well-known seniors have been selected as worthy of this honor due to their constant productive activities in contributing to the success of extra-curricular work on the campus.

It was only after very careful deliberation that the Brahmans announced the admittance of these new senior members. During the course of the second semester they will consider the acceptance of juniors and sophomores.

CADETS HONOR BLACKBURN Staff Sergeant Derward C. Blackburn, on duty with the Military Department at the University for the past three years, was formally retired from the United States Army at a ceremony held in the gymnasium recently.

The cadet corps was formed in the gym accompanied by the band with Major Ralph Canter in command of the battalion. Lieutenant-Colonel B. F. Ristine and Father O'Reilly with Sergeant Blackburn were on the stage and the battalion was presented to the reviewing officers. After the command was presented, Lieutenant L. J. Tschudi, adjutant, read the War Department orders of Sergeant Blackburn's retirement.

He also read two letters of commendation addressed

to Sergeant Blackburn, one of which was written by Very Rev. Bernard P. O'Reilly, S.M., president of the University, and the other by Lieutenant-Colonel B. F. Ristine, commandant of the R. O. T. C. unit here.

DR. BECK SPEAKS The second of a series of talks at the Loretto, sponsored by the Bellarmine Society of the University of Dayton, was given on December 14 by Dr. William Beck, S.M., professor of Biology.

Dr. Beck's subject was "The Church and Science." Being a scientist as well as a member of a religious order, Dr. Beck disproved the fallacy that the Catholic Church and revealed religion is an enemy of science, or that any contradiction between the two is at all possible.

Dr. Lawrence Boll, S.M., of the English department, is scheduled to appear later this year.

FOLK PLAY DR. HOSKO'S "A Hungarian Wedding," charming folk play written by Dr. Stephan A. Hosko, professor of law and fine arts at the University, was presented on December 1 at the Y. W. C. A. under the auspices of the International Institute of that organization. Dr. Hosko and his daughter took the leading roles and put them over in a professional manner.

DICKMANS SEEK PERSHING CHAPTER An attendance of over fifty members, including the recently pledged, marked the December meeting of the Dickman Rifles, held on December 1 in the gymnasium. Due to the urgent business to be transacted, drill was suspended. This business concerned the petitioning of the Pershing Rifles, national military society, and was carried by a three-quarters majority, for the establishment of a chapter here at the University of Dayton.

Thirty-five pledges were put under probation early in this semester and were presented for final initiation ceremonies just previous to the organization dinner held at the K of C auditorium on December 17. The election of the executive committee will be held soon, according to an announcement by Captain Frank Pfister, commanding the Dickman unit. Ten basic members are selected by the officers of the unit, five of whom are selected by members of the organization.

ENGINEERS In the meeting of the Chemical Engineers' Seminar Edward Greer, senior chemical engineer, gave a very interesting talk on Chemical Technology at Edgewood Arsenal, Edgewood, Maryland. He stressed the use of toxic gases, lachrymators or tear gases, and sternulators, which are gases used to irritate the breathing system. His talk was the result of his actual experiences at the arsenal last summer.

During the past few weeks members of the Electrical Engineering Department have been gaining experience in armature winding and general motor repair. The work has been done on both A-C and D-C motors of various sizes.

The Mechanical Department recently received a new low-speed fifteen horse power generator. It is to be used in the calibration of a torsion dynamometer. The machine is a gift from Mr. Oppenheim of the New Idea Spreader Company, of Coldwater, Ohio.

Cleveland Club Plans Dance

At their regular meeting held on the evening of December 7 at Cathedral Latin High School the Cleveland U of D Alumni Club appointed a committee to complete details for their annual elaborate Christmas Dance to be held on December 26, 1931. John Schulte is chairman of of this year's party. Assisting John are Tom Gallagher, Jack Brady, Gerry Faust, and Gil Gowan. The party is open to all University of Dayton alumni and students. Plans call for a bigger and better party than the one of last year which was acclaimed as very successful by every one of the large number that attended.

U. D.

Football Squad Honored

In place of the annual elaborate testimonial dinner dance a testimonial stag party was held on December 10 in the University of Dayton Gym in honor of the 1931 Flyers. The party was well attended by hundreds of alumni, students and friends. Lou Tschudi, a member of the U of D Student Activities Committee, presided as chairman of the meeting. Informality was the keynote of the party. Cards were enjoyed previous to the introduction of the scheduled program of entertainment. Music was furnished by Dayton's Snappy Syncopators under the direction of Maurice Reichard. The program included six vaudeville acts, three vocal attractions, and three wrestling bouts. Very Rev. B. P. O'Reilly, S. M., president of the

University, praised the work of the 1931 team. Other speakers included Bill Belanich, line coach, Jack Keefer, backfield coach, Si Burick, sports editor for the Dayton Daily News, Jake Frong, sports editor for the Dayton Journal, Fred Howell, chairman of the Dayton Baseball Commission, and Harry Baujan, athletic director. Harry announced the results of the election for the 1932 football captaincy and he highly commended the football lettermen for their action in selecting as co-captains Harold Fearn of Detroit and James Cleary of Philadelphia. Harry then awarded the monograms and freshman numerals. Following the presentation to Harold Fearn, who was voted by the local sports editors as the most valuable player, of a pair of Friendly Five shoes through the courtesy of Elder & Johnston Company, the Dayton distributors for Friendly Fives, a lunch was served.

Alumnus Speaks to Civil Engineers

At the Monday December 14 meeting of the student chapter of the American Society of Civil Engineers, held in the auditorium of the Albert Emanuel Library, Matt Boylan, '24, resident engineer of the State of Ohio, Division of Highways, lectured to the students on the subject, "Organization and Management of a Local State Highway Office." Recently, through the courtesy of Mr. Boylan, the civil engineering students made two inspection trips of construction work under the supervision of the Dayton office of the State Highway Department.

Alumni Basketball Game

The ancient Varsity-Alumni basketball series will be continued in the old U of D gym on Thursday evening January 7, 1932, with the stellar alumni team out to avenge the 34 to 22 defeat handed to them on February 5, 1931, by Bill Belanich's Flyers.

The Alumni-Varsity game is always a treat for the basketball fans. The opening lineup used by the alumni in last season's game consisted of Norb and Hugo Sacksteder at forwards, "Step" Lange at center and Russ Becker and Johnny Mahrt at guards. Lou Mahrt, Bill Blake and Bill Belanich were inserted in the second quarter. Other alumni who saw action were Frank Feuerstein, Jack Brown, John Supensky and Charley Reese.

In charge of the Alumni team for this year's game are Norb Sacksteder and Bill Blake, co-captains. All alumni aspiring to a position on the alumni team are instructed to get in touch with either of the co-captains or the Alumni Office. Norb and Bill claim that they will have a team on the floor on January 7 that will easily take the measure of the Varsity quintet. The public is invited to attend the game. The admission price is 25 cents.

"Practice Cases" for Law Students

Practice court sessions for junior and senior students of the College of Law at the University of Dayton are being held regularly in the court room of Common Pleas Judge Robert C. Patterson, who is dean of the College of Law at the University. Judge Patterson

is conducting the practice court so that U of D law students may be familiar with court procedure and so that they may have some actual experience. This feature is one of the most profitable and popular in the College of Law.

Dickman Rifles Dinner Held

The first dinner ever held by the Dickman Rifles, the honorary military organization on the U of D campus, was celebrated in a most successful manner on Thursday evening December 17 in the auditorium of the Knights of Columbus in Dayton, Ohio. The party was well attended.

Captain Frank Pfister, in command of the Dickman Rifles, presided at the dinner. He called upon Very Rev. B. P. O'Reilly, S. M., president of the University, who commented upon the worthiness of ROTC training. Pfister then called upon Colonel Ristine who in turn introduced Colonel Charles Brennan, commandant of the Third Battalion of the 329th Reserve Infantry. Colonel Brennan spoke of the necessity of the Reserve Corps based on experience in the World War. Major L. M. Young was then introduced. Major Young told of his experiences with the 37th Division during the World War. Richard Frankenstein, senior student, entertained with a number of vocal selections. The party was concluded with the singing by all the members of the Dickman Rifles March.

On Sunday December 13, Very Rev. Msgr. R. Marcellus Wagner, Ph.D., '10, Director of Charities for the diocese of Cincinnati, spoke on the unemployment program broadcast over WLW at 6:00 P. M.

Last Rites for Rev. W. J. Egan

Archbishop John T. McNicholas, Bishop Joseph Albers, high church dignitaries, priests and religious of the archdiocese of Cincinnati were in attendance at the solemn funeral services for Rev. William J. Egan, former professor at the University of Dayton, conducted Tuesday morning December 15 at ten o'clock in the main chapel of the University of Dayton.

Rev. William J. Egan, M.A., Litt.D., chaplain at the St. Joseph Orphanage, Dayton, since 1929, and former assistant pastor at St. Joseph's Church, Dayton, died on Friday December 11, 1931, at 11:45 A. M. at the orphanage. He had been suffering from a kidney ailment for many weeks. Father Egan was assistant professor of English at the University of Dayton last year. His illness prevented him from assuming the same duties this year.

Father Egan was born in New York on September 1, 1878. At the age of two he went to Ireland with his mother. He returned to America at the age of seventeen and entered the Lazarist Novitiate at Germantown, Pennsylvania. He entered the seminary at the age of twenty-one and was ordained by Archbishop Prendergast in Philadelphia on June 17, 1898. He taught at Niagara until 1906 when he came to Cincinnati to teach at St. Gregory's Seminary. He was assistant pastor at St. Joseph's Church in Dayton for five years. In 1912 he went west for his health. The following year he returned to active work again. Father Egan leaves no relatives in the United States. He had some very distant relatives in Ireland.

Father Egan's funeral services were opened with the chanting of the office of the dead, followed by the solemn funeral mass and a short address by Archbishop McNicholas, characterizing him as a man eager for learning who has accomplished notable things in Catholic leadership in his life.

"It was at the request of Father Egan that we are gathered here in the University Chapel at his funeral services this morning," the Archbishop said. "He requested that his funeral rites be conducted here, since he held the University of Dayton so highly in his affections. The priests and brothers of the Society of Mary were counted among his dearest friends."

Archbishop McNicholas assisted at the throne in the University Chapel throughout the funeral services. Rev. David Powers and Rev. Eugene Gerlach assisted as chaplains to the Archbishop. The solemn funeral mass was sung by Bishop Joseph Albers. Very Rev. B. P. O'Reilly, S.M., was the assisting priest and Rev. John Sailer and Rev. Francis Heider were deacon and subdeacon respectively.

Rev. Albert Moorman was the cross-bearer; Rev. Rafael Rogers and Rev. Edwin Richter were acolytes; Rev. John O'Connor was the holy water bearer; Rev. Arnold Favret was book bearer; Rev. James Connelly was mitre bearer; and Rev. Frank Smith was master of ceremonies.

Pallbearers included Edward Loges, Louis Kimmel, Joseph Bucher, Edward Wellmeier, Edward Bucher, Andrew Thoma, William Deis, George Kappeler, Joseph Jeckering, Joseph Schad, and John Heindl, all of whom are members of the board of trustees at St. Joseph's Orphanage.

Following the funeral services in the University of Dayton Chapel, the body of Father Egan was taken to Springfield for burial there in Calvary Cemetery.

— U. D. —

Recently Very Rev. Msgr. Frank A. Thill, Ph.D., '14, of Cincinnati, performed a marriage ceremony in the chapel of St. Patrick's Cathedral, New York City, for his brother, Victor J. Thill, of New York and Dayton, Ohio. Mrs. Thill was the former Carmelita Gomez, of New York, daughter of Mrs. Emanuel Gomez of Port of Spain, Trinidad, and the late Mr. Gomez.

COURT SEASON OPENED WITH A WIN

COACH BILL BELANICH'S latest edition of the thinly-clads opened the Flyer court sked with a neat win over Cedarville College, 26 to 22. Perhaps the wearers of the Red and Blue need a little seasoning, but with five sophs and only one vet in the regular lineup they showed an unusual amount of potential strength.

At no time was the outcome in doubt. Starting off with a rush the Dayton quint registered seven baskets and a foul for fifteen points at the half, while their impregnable defense stopped the opponents with a lone basket and five free throws. However, the boys from Cedarville came back with more luck in the second period and rang up five netters coupled with a like number of fouls, while the Belanichmen were busy getting four more baskets intermingled with five good shots from the foul line.

Belanich had a good look at ten of his men, but it was one of the green men who copped the lion's share of the evening's honors. This man was Lefty Leichtle, who nosed out the veteran Eddie Hamant in scoring. It looks like this pair, along with Bob Payne, Ralph Burdg and Paul Piening, will make up the regular five.

The statistics follow:

VARSITY TO HAVE TWO CAPTAINS NEXT YEAR

For the first time in the history of the University of Dayton, the 1932 football team will have two captains. They are Harold "Scotty" Fearn, star halfback, from Detroit, and James "Shine" Cleary, stalwart center from Philadelphia. Both of these men were selected on the All-Ohio Conference eleven this year, while Jim made the first All-Ohio team and Scotty made the second.

FOOTBALL AWARDS

At the testimonial smoker held for the football team Head Coach Harry C. Baujan awarded varsity D's to twenty-seven of the University of Dayton gridders, and DAA's went to thirteen others. Those who were given letters were: Joe Colan, Johnny Bauer, Mike Busciglio, Dan Fitzsimmons, Gene Rodgers, Ted Armstrong, Ray Connors, John Kelley, Eddie Gowan and Ed Crowe, all of Cleveland, Ohio; Jim Cleary, Bill Jordan, Danny Gill, Tommy Hannegan and Joe McFadden, of Philadelphia; Captain Lee Zierolf, of Holgate, Ohio; John Medley, of Owensboro, Kentucky; Harold Fearn and Dick Frankenstein of Detroit; Marty Schnur, of Grand Rapids, Michigan; Hank Meyer, of Honolulu; Fred Brandel, of Hamilton, Ohio; Fred Cramer, of Tiffin, Ohio; George Gorry, of London, Ohio; Bob Payne, Vic Pohl, and Manager Vinny Kirk, of Dayton, Ohio.

Those receiving the lesser awards were: Bob Rader, Dayton; Paul Piening, Cincinnati; Charles Gaking, Cleve-

land; Frank McFadden, Philadelphia; Louis Rapier, Owensboro, Kentucky; Fred Howe, Philadelphia; Carl Denk, Cleveland; Bob Collins, Cleveland; Ben Borchers, Dayton; Bernard Brisse, Detroit; Kevin Dwyer, Dayton; Dan Adams, Dayton; and Jack McGlone, Philadelphia.

There are seven graduating seniors. Colan, Zeirolf and Busciglio are the departing regulars, while the extras are Frankenstein, Gowan, Crowe, and Jordan.

Scotty Fearn was chosen by the three local sports editors as the most valuable man on the 1931 team. He was awarded a pair of shoes by Mason C. Benner, University of Dayton representative of the Friendly Five Shoe Co.

Many other events, including vaudeville acts and wrestling contests, completed the testimonial smoker at which Lou Tschudi was the very able master of ceremonies.

FROSH AWARDED NUMERALS

Twenty-six members of the freshman squad and four managers earned their numerals this year. They were: Gosnik, Hoban, McCloskey, Strosnider, Fisher, Tabeling, Frankenstein, Pozelnick, Levy, Zang, Caulfield, A. McCarthy, Bagdonas, Sheridan, J. McCarthy, Corbett, Kawka, Armbruster, Woeste, Malloy, Somsel, Zwiesler, Mitchell, Hoefling, and Bescanceney. The managers were: Kemp, Pence, Beasch, and Strauchan.

INTRAMURAL NET LEAGUE OPENS

With three close guarding games featuring the opening day of play, the University of Dayton's ten-team Intramural Basket Ball League got under way recently at the school gym. Games will be played every Monday, Wednesday and Thursday afternoons.

In the opener's feature tilt, Michigan, composed of freshmen of St. Joe Hall, defeated Purdue, the St. Joe seniors, 13 to 7. The elongated Jim McCarthy, former Toledo Central star, led the winners' attack, scoring six points.

Another yearling team, the freshmen of Alumni Hall, who are playing under the name of Chicago, defeated Illinois, a team of sophomores, 14-8. "Whitey" Brockman, former Campion, Wisconsin, prep school star, was high scorer with seven points.

The third game, which was a battle between two day-student outfits, resulted in a 16-12 victory for Northwestern over Ohio State.

1931 ATTENDANCE RECORDS

Including 4400 high school students who were admitted free at the first two home games of the year, the University of Dayton played before 31,000 fans in eight stadium games this year for an average of 3875.

A year ago in six home games the Flyers played before 22,400 persons, including 3500 freely-admitted school boys and girls, for an average of 3729 per game.

Although the average attendance was higher, Dayton had a bad year financially. UD did not share in the receipts from the largest crowd of the year, which was a 5600 attendance in the charity game with the Notre Dame "B" squad. Thus far seven games averaged only 3628 persons per contest.

Considering that reduced prices were in effect for most of the games, the Flyers will have a hard time breaking even this year, although the share of the gate for the Steele-Stivers High School Thanksgiving Day battle will net them around \$1000.

U of D Law Club Organized

All the graduates of the University of Dayton Law College were summoned by the Alumni Secretary, Merle P. Smith, to attend an informal dinner meeting on December 16 in the small ballroom of the Dayton Biltmore Hotel at 6:30 P. M., which was the occasion for the formation of a University of Dayton Law Club of Dayton. The dinner was open to alumni, students and friends. Dr. T. H. Lautenschlager and Francis Marshall, senior law student, were spokesmen for the alumni and students, respectively.

During the seven-course dinner music was furnished by the Egyptian Trio composed of Mary Payne Deppner, Martha Payne, and Ernest Levit.

Following the dinner the toastmaster, William G. Pickrel, Lieutenant-Governor of the State of Ohio, called upon Very Rev. B. P. O'Reilly, S.M., president of the University, who spoke highly of the achievements of the College of Law and assured the law graduates that he was heartily in accord with the formation of a U of D Law Club. Judge Robert C. Patterson, dean of the Law College, was then introduced. The dean complimented the law grads on their loyalty and devoted interest in the College which was evident by their plans and efforts in organizing their law club. Toastmaster Pickrel then introduced the principal speaker of the evening, Gilbert Bettman, Attorney-General of Ohio. The Attorney-General commented on the good work being done by the College of Law at the University of Dayton and he emphasized the necessity and need for well-trained lawyers, showing how the properly educated lawyer can be a guiding influence for good in his community. Following the well-received talk of Attorney-General Bettman a short program of music and dancing was enjoyed. Martha Dwyer sang two very pretty numbers. Marjorie Smith, Ruth Finn, Ada Farris, Martha Jane Lloyd and Catherine Zappin, of the Schwartz School of Dancing were next on the program with a number of novelty dances. They were followed by Lou Tschudi, U of D sophomore, who danced and sang. Mrs. R. G. Mumma then played a number of her husband's own compositions on the concert grand piano.

Dr. T. H. Lautenschlager was then introduced. He explained the nature and purpose of the U of D Law Club of Dayton, presenting the newly drafted constitution as drawn by the committee. Membership in the club shall consist of active and honorary members. The active members shall be all the law grads of the University of Dayton. Honorary members will be the president and vice-president of the University, the dean and faculty of the College of Law, and anyone whose services the club may desire to recognize. The election of officers will be held at the December 23 meeting.

Distinguished Visitor

The founder of the Maryknoll Mission Movement, Very Rev. James Anthony Walsh, superior general of the Catholic Foreign Missionary Society of America and editor of the Catholic Mission Magazine, was a guest of Father O'Reilly the second week in December.

He addressed the students expressing his views on the Chinese and Japanese difficulties. It is his opinion that neither Japan nor China are anxious for war in Manchuria.

Charity Grid Game Success

The charity grid game which was held on November 28 in the U of D Stadium between the University of Dayton Flyers and the Notre Dame "B" team was not only a great game, the contest ending in a 6 to 6 tie, but was a most successful contributing factor to Dayton charity. Charity profited to the extent of \$4,743.53 when a check for that amount made to the order of the Unemployment Relief Fund, E. V. Stoecklein custodian and Director of Welfare of the City of Dayton, was recently handed to Mr. Stoecklein.

The money will all be used to purchase food supplies for the needy and already Mr. Stoecklein has made up a list of purchases including thousands of pounds of sugar, canned goods and various other staples that will go a long way toward relieving the situation.

An audit of the receipts and expenditures shows that the expenses were held down to a minimum, the major portion going to pay the traveling expenses of the visiting team and the postage for mailing out some eight thousand tickets. The Notre Dame team received no pay for their playing.

Report of Barstow and Miller, certified public accountants, shows the following receipts and expenditures:

Receipts — Total admissions, \$5,391.50; sale of football program, \$38.50; sale of autograph football chance tickets, \$101.30; total gross income, \$5,531.30.

Disbursements — Printing of tickets, \$51.13; music, \$7.83; liability insurance, \$33.38; messenger and office robbery insurance, \$4.60; postage for mailing out tickets, \$126.07; traveling expense of Notre Dame team, \$500.00; meals of visiting team

in Dayton, \$54.20; telegram and long distance calls, \$8.31; posters for street cars, \$7.25; cash prizes, \$10.00; total expense, \$802.77; net proceeds, \$4,728.53.

To the net proceeds must be added \$14, turned in since the audit was made.

The following groups and individuals helped to make possible the game: Dayton Community Chest, W. A. Keyes, Moraine Hotel, University of Dayton for the stadium, Liberty Cabs, Service Buehl Restaurant, The NCR Company, Cincinnati Cordage and Paper Company, Co-operative High School, Roosevelt High School, Dayton Blank Book and Printing Company, Dayton Blue Print Company, Boy Scouts, Girl Scouts, Y.W.C.A. Vocational Department, Barstow and Miller, accountants, Ohio Bell Telephone Company, Western Union Telegraph Company, ten merchant police, Miami Valley Officials Association, Junior League, Dayton Daily News, Dayton Journal and Dayton Herald, RKO Theatres, Dayton Street Railway, Dayton Power and Light Company, Joe Nelson amplifiers, Rike-Kumler Company, Leo F. Rev. Cletus Miller, '24, of the Newman Club of Cincinnati University, was a speaker at the football banquet held Thursday December 17 at the Sinton Hotel in that city, in honor of the Cincinnati University football squad of 1931.

Greater Alumni Interest

The University of Dayton alumni in larger numbers are becoming more interested in the affairs and the well being of the University. This year has seen much activity. Many U of D alumni groups are regularly gathering, thus strengthening the ties that have made for a greater University of Dayton and a more united and active alumni body. A promising number of former students have responded to the plea for membership dues, making it possible to continue our Alumni Office and the regular Association activities. Although dues have not been realized from a sufficient number of former students to make our Association self-supporting, we are confident that the future holds much encouragement.

The New Year looks most favorable toward more and stronger organization and cooperation. The alumni magazine is receiving more favorable comment than ever

before. The Alumni Office is steadily receiving more inquiries and more valuable suggestions. More visitors are calling at the Alumni Office than ever in the history of the Association. The University of Dayton spirit is becoming more pronounced and wide spread, and the future promises very bright possibilities. Everything is dependent upon the response to our 1932 Roll Call for the alumni fund. May we expect to register at least one thousand names on our 1932 Loyalty List?

John Alexander, '25, chief chemist

for the Southwestern Portland Cement Company of Osborn, Ohio, recently donated thirty cement briquette molds to the Civil Engineering Department's Material Testing Laboratory. The donation is of real value to the University, for it enables an entire class to work at once on the same experiment.

— U. D. —

Rev. Charles A. Ertel, '05, took up his duties as pastor of Holy Family Church, Dayton, Ohio, on Wednesday December 16. He was formerly stationed at Wilmington, Ohio, where he served for the past sixteen years. He succeeds Rt. Rev. Monsignor John Downey, deceased. He was secretary to the late Archbishop Henry Moeller of Cincinnati for four years.
